It's easy to mock - indeed, the title almost does it for you - but this seemingly throw-away collection may end up being just as much a part of pop-art history as when Andy Warhol painted soup cans.' -Daily News'Kim Kardashian is the queen of selfies, and she's planning to make sure everyone knows it in her upcoming book, Selfish.' -MTV News'Now there's a book cover if we've ever seen one! . . . this book is obviously made for her biggest fans.
