Synopsis :

Review Harvey Mackay Brian Tracy's Maximum Achievement is a wake-up call to the wonders within us all. It is straight to the point and straight to the heart. -- Review Read more About the Author Brian Tracy was born in eastern Canada in 1944 and grew up in California. After dropping out of high school, he traveled and worked his way around the world, eventually visiting 80 countries on six continents. His extensive personal studies in business, sales, management, marketing, and economics enabled him to move up to become the head of a \$265 million company before he turned his attention to consulting, training, and personal development. He is the president of three companies with operations worldwide. Brian Tracy is married, has four children and lives in San Diego, California.
